- The Virtual Learning Assistance Program begins the first day of school based on the public-school district's academic calendar.

Child must be dropped of no later than 8:00 a.m. to participate in the day.

Cost: \$200/week or \$50/day per week

Child must bring laptop/tablet equipped to handle elementary virtual learning platform with charger and headphones/earbuds. Child must bring any supplies required to complete virtual learning assignments as directed by the elementary school teacher. Instructions provided to parents by elementary teachers, as well as any logins and passwords to access virtual learning platforms, apps, or assignments must be provided to the Adventure Programs caregivers. The Adventure Programs is not responsible for any damage or loss to virtual learning equipment. Each child will

be responsible for keeping up with their equipment and putting equipment away when virtual learning is completed

Parents Initials _____

The Adventure Programs caregivers are available to assist and supervise children with virtual learning, but not instruct. The Adventure Programs is not responsible for grades and/or outcome of virtual learning. It is still the responsibility of the public-school teacher to teach and instruct the student and prepare them for academic success.

Parent Initials _____

In the event that the child has no remote/virtual learning assignments or obligations, then supplemental educational activities will be provided based on the child's age and grade. The structured schedule above will still be followed by all children.

Parents Initials _____

In the event that a family chooses to withdraw their child from the Adventure Programs, a two-week notice will be required. All other Adventure Programs Tuition Policies apply to the enrollment of Virtual Learning Assistance.

Parent Initials _____

Virtual Learning Assistance is designed to meet the current needs of our families with school aged children; however, this program is subject to change based on information and guidance provided by the Independent School Districts and state authority. The Virtual Learning Assistance Program will be re-evaluated each 9-week period.
